

imagine a day *without* the

school bus

More teens are driving and increasing risks to all road users.

Parents are waking up earlier to drive their children to school.

Families are spending more time and money at the pump.

More children are being killed and injured in car crashes.

Fewer students are getting to school on time or at all.

Commuters are facing a spike in rush hour traffic.

Lungs are breathing in more carbon dioxide.

Workers are arriving late to work because of increased traffic.

EVERY COMMUNITY DESERVES THE SCHOOL BUS.

One school bus takes about 36 cars off the road and is the safest way to travel to and from school. Factor in all the other benefits, and it's hard to find a reason to send kids to school any other way. Find out what you don't know about school bus ridership.
