Student Services Office

Seniors

A Google survey asking about plans after graduation was recently sent from Mrs. Foidl in Student Services. Check your school email and make sure you fill it out ASAP - it is only a few questions and will provide us with important information. See your Counselor if you have any questions.

10th Graders

PSAT test results are now available to see in your College Board account. If you scored 1000 or above, you have the choice of opting out of Test Prep, a one trimester course. See your Counselor if you are eligible and would like to drop Test Prep for next year. Just an FYI - Counselors will not have access to student scores until June 25th, so they will not be able to check your score - you will need to show them your score in your College Board account.

Students

Naviance has been updated with new scholarship information and links. Check these out on the "Colleges" tab under "Scholarship Search" in Naviance. This information is also available on our school's website. See your Counselor if you have any questions.
