Seniors and Parents

For the last several years, Hamilton Community Schools has been highlighting our senior students on social media and will be continuing that tradition for the Class of 2025! Please see the Google Form below and complete your senior spotlight form as soon as you can, it should only take 5 minutes! Please note that you need to use your Hamilton Community Schools email address to fill out the form and you must be the one to complete it, not your parents/guardians. Your form submissions will then be scheduled on the HCS Facebook and Instagram between November and your graduation in May.
