A regular employee is a person regularly scheduled to work 10 or more hours per week for 25 or more weeks during the school year. Temporary, substitute or on-call workers are not considered as "regular" employees.

*Holidays shall fall within the employee's normal work calendar. Employees are eligible to receive holiday pay if they are typically scheduled for that day.

*Regular employees will receive holiday pay for Christmas Eve, Christmas Day, New Year's Eve and New Year's day regardless if they are typically scheduled for those days or not.

*The employee must work their normally scheduled day before and after the holiday to receive compensation. Pre-approved scheduled absences using paid time off may be considered as worked subject to approval by the supervisor and district. An unexpected absence due to illness will require physician verification in writing.

*Holiday pay will be compensated on the basis of the average number of hours the employee works per week divided by five (5) days. If the individual normally works 20 hours per week they receive four (4) hours holiday pay.
