

HAMILTON Community Schools

Great Things Happen Here.

Loren Joostberns

Meet the Candidates - 2024

Why are you running for Hamilton Community School's board of education?

I am running to continue the progress that we have made over the past 12 years and to be a part of the great things we anticipate happening in the near future.

What particular experiences or skills have prepared you to serve as a board member?

I am a retired Hamilton teacher, having taught full time for 30 years and 9 years as a substitute teacher. I have served on the Hamilton Board of Education for the past 12 years and currently am the Board secretary.

In what school district or community activities/organizations have you been involved?

I have been involved in many school related and community related activities over the years. For example, I have been the Public Address Announcer for all levels of Hamilton football for the past 44 years and will be the official scorer for Hamilton basketball for the 43rd year later this fall, as well as working at many other HHS athletic events. I was involved with the creation of the Hamilton Athletic Boosters many years ago and served as an officer. I am a past member of the Hamilton Lions Club and a current consistory member of Haven Church in Hamilton.

What do you wish to accomplish?

I would like to build upon the heritage that is ours at Hamilton Community Schools and, hopefully, be a positive influence on the Board as we deal with the issues facing us in the years ahead.

Is there any other information and/or website that you would like to share for people to know about you or your campaign?
